### Description

This large mid-20th century hand-carved wooden carousel panther statue features an open mouth and glass eyes. Originally polychrome, the sculpture has developed a beautiful "craquelure" patina, giving it an unrivaled charm. This antique hand-carved fairground wooden carousel panther embodies the artistry and charm of classic carousel design. The vibrant hand-painted details enhance its visual appeal, making it a stunning decorative piece for any collection or home.

Perfect for collectors and those who appreciate the timeless allure of vintage carousel art, this panther figurine will bring joy and character to any room.
