Description

Amusing painting depicting a bawdy scene, in an interior. The couple is disturbed during their lovemaking, a hasty dressing! A soldier gets dressed hastily leaving his mistress disconcerted in an offered position and her breasts bare while a donkey brays through the open window. Amusing naughty scene full of life. The details are very amusing, the surprised and disillusioned look of the woman, the man who gets dressed quickly, the pedestal table with a bottle, the donkey sticking its head out of the window. A very entertaining bawdy scene. Signed Faure lower right and dated 1919. Louis XV style frame fretwork in wood and gilded stucco with some small chips. Dimensions: 60 cm long and 79 cm with the frame 49 cm high and 68 cm with the frame We deliver and ship all over the world,
