quality, Miroir Brot quickly established itself as a world reference for beauty mirrors and decorative mirrors. It is present throughout the world, in the greatest palaces and is recognized for its excellence both for triptych mirrors of all sizes and beauty mirrors for which it shapes its own optical glass. This exclusive artisanal process requires exceptional know-how and offers a perfect magnifying image. In 2014, Miroir Brot found a second youth and reconnected with its roots, surrounding itself with renowned designers such as Pierre Yves Rochon, and today Patrick Norguet, and Patrick Jouin, by proposing a renewed and visionary range of mirrors that perpetuate our tradition of excellence and French luxury.
