980 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Width : 124cm

Height : 222cm

Depth : 30cm

Description

Louis XVI style cloakroom / coat rack in re-engraved wood. The lower part houses a console with a storage drawer topped with white veined marble, on each side, two quarter-circle brass bars serving as umbrella stands with a reclaimed zinc tray inserted into the plinth. Central beveled mirror resting on a cane wall console. On either side of the mirror, two alcoves filled with cane. This cloakroom has four double coat hooks in finely chiseled gilt bronze with plant motifs and two single coat hooks, hat stands of the same model. The upper part has a shelf with a cane base finished with a cornice with four ornamental tops. Very good general condition, very functional piece of furniture! Delivery possible.
