Description

9ct Gold Ring with Smoky Quartz, Minimalist Modernist Style, 5.31g This elegant 9ct gold ring showcases a bold Minimalist design, centred around a striking oval-cut smoky quartz gemstone. The sleek bezel setting and split shoulders create clean, architectural lines, typical of Modernist and Minimalist fine jewellery styles. The rich buttery yellow gold provides a perfect contrast to the deep, earthy tones of the smoky quartz. The gemstone is approximately 2 carats, measuring around 11 x 10 mm, with excellent clarity and a lively, warm brilliance. Weighing an impressive 5.31 grams, this ring offers a substantial feel and exceptional quality. Crafted in solid 9 karat (375) gold, it is ideal for those who appreciate understated luxury with a timeless, contemporary edge. Smoky
