Description

Large Antique Fireproof Safe - BAUCHE Reims, 1930 - Rare Dragon Lockplate Decoration - Vintage Original lock with 1 key and 4-digit combination system. Dating from the 1930s-1940s. It comes with 2 sets of keys for opening the doors. Features stunning lockplates decorated with fire-breathing dragons. In the 1930s, particularly within the Art Deco style, dragons were commonly used as symbols of power, protection, and mystery--perfectly fitting for a safe. The locking system works perfectly. However, the combination mechanism is no longer functional (the dials spin freely with no effect). Inside: central compartment with a removable shelf, plus an additional internal locking box with a separate door and extra key. Condition: Excellent preserved
