

## Walnut Swivel Office Chair

780 EUR

Period : 19th century

Condition : Très bon état

Material : Wallnut

Length : 50

Width : 51

Height : 85

### Description

Swivel walnut office chair with an elegant and timeless design. Its gently curved band backrest is supported by a central wooden panel, while its crooked armrests give it a refined look. The circular seat, upholstered in black vegan leather and enhanced with a braid of decorative nails, has been completely restored by an upholsterer. It rests on a base with four curved legs, combining charm and functionality thanks to its swivel mechanism.
