Description

Magnificent Carpets Indo-Yalameh around 1990 entièrement woven by hand, Vegetable dyes, wool, Height: 2.42 m mX3,02 These rugs are hand knotted by the nomadic tribe Yalameh who lives in the province of Fars, in southern Iran. They are known for their wealth of original patterns and bright, deep colors. The decor sometimes consists of fine diamond shaped medallions placed in a straight line. These rugs are of excellent quality.
