

Carved Wood Representative Ganesh - 17th Or 18th Century

550 EUR

Period : 17th century

Condition : Très bon état

Material : Solid wood

Length : 23,5

Height : 40

Description

Subject: Carved wood representing Ganesh, with his attributes is sitting on his rat. The sculpture is intaglio and almost circular in shape and resting on two support legs; all monobloc.

Origin: India, Unknown Province. The work seems very old. The patina and appearance of the wood could attest that it is more than 100 years old.
