Description

Small teapot poureuse by Jean Després 1930s hammered pewter and taken in ebony macassar. Signature "J. Després" engraved below. Height with lid: 12.5 cm This teapot is a utility object and has served, so it has some traces of use and depressions of material that I took the party not to restore and leave in l 'state. For similar pieces: see Melissa Gabardi's book "Jean Deprés" (see last photos). A flamboyant artist, with exceptional talents! Many other objects to discover in my booth antique fairs in which I participate. Follow my gallery to be informed of news and to know the dates of the next Salons ... Any questions?
