Description

Large ovoid ceramic vase with loops on the shoulder signed on the side and below. Early 20th century Height 50 cm, diameter 32 cm and 15 cm at the neck Pierre de Verclos, born October 21, 1886, settles in Tunisia around 1921-1922 and decided to create a ceramics workshop in Nabeul where there is a very old tradition in the art of pottery. His studio, which he calls "La Fabrique", is gaining momentum and training many apprentices, some of whom will become famous. (from the biography written by his grandson Patrick de la Chapelle)
