### Description

Very beautiful basin to hang, malolica high relief, a follower of Palissy, perhaps Barbizet, quite early: circa 1860/70, judging by the quality and neo-classism of the beautiful bronze mounting.

3 snakes, 3 bunches of leaves and ferns distributed around the central button, nicely undulating border, light green interior ....

Dimensions = Height of the suspension: 56cm, diameter of the basin: 29cm,

Discovery excellent condition, no breakage or cracks, a single small chip on border, masked, not very visible, see the arrow on our photos.
