Description

Satsuma ware planter in octogonal jar shape. Decor of polychrome enamels on a white background and gilt highlights figuring two palace scenes in cartouches, surrounded by blue, red and white chrysanthemum. High and low friezes with a geometrical polychrome decor gilt highlighted.

Chiselled and gilt bronze mount. Molded top base, topped by an openwork gallery and bottom part standing on four feet with an openwork decor of foliage scrolls and volutes.

Work realized circa 1880.
