Description

Elegant tripod coffee maker / jug from the first half of the 19th century. Its piriform body is provided with a side handle in turned thinned wood. It has a cover surmounted by a spinning top opening by hinge and push button. Its beak is closed by a ribbed valve mounted on a hinge. Three curved shoulder feet support the assembly. two punches remain under the body which I could not decipher. The set is in silver metal in the 18th century style. Note: beautiful quality silvering and in good condition. Dimensions: total width with the handle: 22 cm. Handle dimensions (metal and wood): 13.5 cm. Delivery: 10 EUR for mainland France.
