

Bridal Box? Glass End 18th.

200 EUR

Period : 18th century

Condition : Assez bon état

Diameter : 6,3 cm

Height : 3,5 cm

Description

Small glass snuff box format assembled by embossed and gilded cardboard lace decorated with water leaves, diamonds and palmettes. The inner strapping is also made of cardboard. The double-bottomed cover is curved, and presents a flowered basket in golden metallic wire and colored fabric. Rare and unusual object because very fragile. Some accidents and losses (see photos). Its use is unknown to me. Maybe a souvenir gift of expertise, or a wedding box ??
Period late 18th century.
