Description

Description:

Gilded and patina bronze

This animated sculpture represents a prancing horse facing a snake in an attack position. Note that the snake is only defending itself, the horse stepped on its tail.

This group is placed on a naturalistic and imaginary terrace, shells on rocks, tree trunks and leaves.

The excellent quality work is due to Jules Jacquemart, signed on the terrace.

If you wish to receive a video of this object in order to better "understand" it, or detailed photos, do not hesitate to ask us.
