Description

Description :

Chiseled and or moulu bronze, cherry red marble.

This exceptional centerpiece takes the design of antique basins, oblong and barely domed below, accentuating the detachment of the basin on its pedestal.

The bronzes embellished by this very luminous cherry marble adorn the marble basin in a particularly elegant design and hugging the curves.

The square base supports an oval, beaded and fluted pedestal.

The two large handles are extended in vegetal scrolls and meet under a shell.

The rim of the neck of the basin is covered with a collar with oval frieze.
