

Speckled Maple Victorian Table, England Circa 1850

950 EUR

Signature : anonyme

Period : 19th century

Condition : Parfait état

Width : 81 x82 cm

Height : 65,5 cm

Description

Magnificent living room table in solid maple with its Victoria period speckled maple veneer tablet. The tablet is delicately veneered with a mishmash of selected pieces of magnificent bird's-eye maple. The wood is clear and much brighter than the usual mahogany or rosewood. Ideal for hosting an English-style high tea in your castle library. ????
