Description

Superb set signed LALIQUE FRANCE 3 pieces in very good condition, Modern Lalique crystal piece produced by the modern Lalique company after the death of René Lalique. Marcel Franck piston vaporizer in good condition, complete with its glass tube

At the beginning of the 20th century, the Marcel Franck company, founded in Paris in 1882, supplied its vaporizers to perfumers such as Molinard, Worth or Parfums d'Orsay, as well as frames to crystal makers, such as Baccarat, Saint Louis, Gallé and Lalique. Marcel Franck, knew how to adapt to the needs of the time, by creating these vaporizers with the most prestigious master glassmakers.
