Description

Juliette Andrée Ottin (1877-1944)

Portrait of a medieval young woman, 1903

Watercolor

31 x 24 cm at sight (50 x 44 cm with the frame)

Signed and dated lower left Daughter of the painter Léon-Auguste Ottin, she also exhibits at the Salon in the years 1903-1904.

This beautiful watercolor fits perfectly in the art nouveau and symbolist vein of a Guirand de Scevola for example and of these medieval princesses that he painted in those same years.
