Description

This bracelet is made of white gold and weighs 12 grams. It is set with 81 black diamonds with a total weight of 3.10 carats.

Black diamonds have become increasingly popular in jewelry due to their elegance and unique beauty. The use of white gold as the precious metal for the bracelet adds to its appeal and highlights the black diamonds. This type of bracelet is often considered a precious and sophisticated piece of jewelry, and can be worn for special occasions or as an elegant centerpiece in a jewelry collection.
