

Cabinet And Two Vases In The Style Of Komai

11 000 EUR

Period : 19th century

Condition : Parfait état

Material : Gold

Height : 11 cm

Description

Exceptional set composed of a cabinet and two miniature vases in gold damascened iron. The cabinet opens in front with four drawers. The three pieces are marked with Mount Fuji, signature of the artist Fujii Yoshitoyo. A first-rate artist, he won many medals at exhibitions. Above all, he had the honor of working for the imperial family. In perfect condition. Late 19th century, early 20th century. Meiji period.
