### Description

Charming cuff bracelet in gold metal adorned with 6 large agate cabochons ribbed in a multitude of color gradients.

Pay attention, there is only one bracelet !!

it is a very beautiful bracelet probably in pomponne and dating from the end of the 19th century - beginning of the 20th century.

This bracelet recalls the jewelry created in Italy and that European travelers brought back from travel as a souvenir of the great tour, with cameos, micro mosaics and other souvenir jewelry inspired by antiquity.

it is of very good quality and works perfectly: clasp and it is fully articulated.

it is extremely light and the agates allow light to

pass through, even by playing on the complexion of the skin.

attention the agate cabochons are large.

some agates in some parts are similar to crystal agates one approaches slightly frosted areas due to the presence of quartz crystals.

the effect is superb.

one of the agate cabochons the third starting from the clasp has an already old slit but strangely this is not annoying nor very visible because this slit follows the veins of the following cabochons.

the gilded metal is undoubtedly pomponne and the cabochons are approximately 3.5 cm wide with the setting.

this cuff bracelet measures a total of 21 cm, it is large !!!

weight: 50.50 g

dimensions: 21 cm long by 3.5 cm wide.

a very beautiful bracelet with a bit old-fashioned charm, but very chic. for agate lovers.
