Description

Manufacture of "Valentine" in Saint-Gaudens.
Decor of a bouquet of polychrome flowers painted enameled by hand. This is a very original piece unlike this type of piece, rather classic, of the time. It is in fact framed by long leaves with an oven blue background, leaves which also form the side handles. The front part of the vase is slightly lower than the rear part in order to give it this beautiful volume. Monogrammed ED with dark red enamel and "nail stroke" on the bottom. Very good condition, beautiful tone of the porcelain. This vase is old and served: Normal wear of the gilding highlights. Dimensions: Height: 31.5 cm (back) Height: 29 cm (front)
