Description

Beautiful old painting showing part of the facade of the Château de Chambord seen through a breakthrough in the foliage.

**** XXth Century ****

A painting of very good quality in an old frame (frame in used condition, repainted several times).

This quality oil deserves a frame that suits it better. In view of the signature affixed with dexterity in red, at the bottom right one can think that this is the work of a known and listed talented artist.

Note that this oil which was very dirty has just been cleaned.
