Description

India, 1920s / 1930s, very pretty and unusual bronze statuette depicting a male character also called a Marapachi doll. The Marapachi statuettes are of particular importance in India. Offered by two (the man and the woman), generally as symbolic gifts during weddings, they embody fertility and family happiness. They are generally made of wood and more rarely of bronze, like this lovely subject. Good condition except for slight normal wear and tear. Height 15 cm. Good density of the material and therefore a significant weight of 570 grams before packaging.

We take particular care of our packaging by using optimum protection. The shipment is made with insurance included. Shipping rates: Metropolitan France: 22 euros, countries of the European Union and Switzerland: 28 euros, countries of
