Description

This set of two large armchairs and two chairs, is covered with a tea rose-colored wool velvet which highlights the structure and shape of this beautiful mahogany set. These seats were completely redone a few years ago by a professional upholsterer. Installed in a guest room, they have been used very little. The seats are comfortable and in excellent condition. The wool pile is in good condition with a few tiny marks. The seats are solidly built and of a size that allows them to be used by tall people, which is not always the case for 19th century seats. The set will immediately find its place in your interior without requiring additional costs. Dimensions of the armchairs: backrest height 100 cm, width 62 cm, depth 65, seat height 42 cm, useful seat depth 46 cm. Chair dimensions: backrest height 91 cm,
