

Nineteenth Showcase

Description

Very nice little showcase in bronze / brass with balusters. The cornice is strongly molded and surmounted by eight bobeches. It is glazed on three sides and on the upper upper part. It opens from the back (see photos). Very heavy, very good build quality, very good condition.

650 EUR

Period : 19th century Condition : Très bon état Material : Bronze Width : 30 cm Height : 41 cm Depth : 24 cm
