Description

ART DECO period animal car mascot representing a wolf.

This sculpture is in hard and solid metal, it is massive for its size, 772 grams (it is not spelter).

It is in good condition and has a nice original brown patina.

Signed: Penaud or Renaud (with the wrongly marked R) if it is the second, it could be Francis RENAUD (1887-1973) sculptor who made, among other things, automobile mascots.

This object is in good condition, no shock, no deformation, beautiful finesse of the details (see photos).

Height: 11.6 cm.
