

Francis Herth (1943-) Polymorphic Monsters (1969)

220 EUR

Signature : Francis Herth (1943-) (Le Piron p.706)

Period : 20th century

Condition : Parfait état

Width : 67,5

Height : 57,5

Description

Intriguing appearance of polyform monsters emerging from a thick fog to multiply before the eyes of the spectator. By observing the details of the work, the imagination takes over and invents misshapen creatures whose inspiration is very close to the work of HP Lovecraft. The artist is also renowned for his work on this type of impression that these works can cause.
