

Pair Of Sunflower Sconces In Brass

1 180 EUR

Period : 20th century

Condition : Parfait état

Material : Brass

Width : 58

Height : 55

Depth : 24

Description

Pair of wall lights in brass leaves with 6 branches, 5 of which are electrified, decorated with flowers of sunflowers. It is possible to present these flower sconces best oriented downwards or upwards. The electrification is functional. The bouquet of flowers is held together by a ribbon. Superb decorative effect!
