Description

Remarkable object, a crystal bottle, blown as a ring, the circumference cut with double ribs, gilded silver mount, (no hallmark), small internal stopper, (blocked), hinged lid. These flasks are known to house a small spyglass, and I have had a few in my hands of remarkable ones. But here, the center is occupied by a coaster showing a photographic portrait of a late 19th century man, and on the other side, a box with a glass lid, containing a very fine prayer, Chema Israël folded in accordion.

Emotionally charged object,

Condition: good, the photos show it, an internal chip in the glass of the portrait.

Bottle: 6.5cm x 4.2cm x 2.5cm, parchment: 6.5 x 5cm approximately.

Extraordinary object, Hebrew, late 19th century. ,
