Description

Small oblong Mahogany Table, fully modular thanks to its 4 very light extensions, 45 cm each. Its top consists of two large planks of solid mahogany with a beautiful developed grain. This table has a belt in vertical mahogany burl veneer, ending on the underside with a thin strip with a half-round edge. From this belt start 4 finely turned feet, resting on casters: 2 additional identical feet come to reinforce this base in the central part. A sliding system, authentic to the table, allows you to open it at will, and to adjust its size according to your needs, by adding quality, easily handled extensions. Thus, this elegant furniture will easily go from a pedestal table format, to that of a table allowing you to accommodate from 4 to 12 people. You will appreciate the great modularity of this table,
