500 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Painted wood

Description

Quick description

Interesting vestige of old sculpture, a child's toy.

Piece of popular art very difficult to date as often, at least 250 years old.

Wonderful patina of time, revealing a multitude of layers of paint.

Slightly dusted and protected by a veil of suitable varnish.

Perfectly presented on a solid wood base in our workshops.

Lots of character and authenticity.

Total dimensions

44cm high on base, the sculpture is 30cm high.

Price

550EUR
