

Antique Entomology Furniture.

2 500 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Solid wood

Description

Very very rare pair of high quality "entomology" furniture from the end of the 19th century, each comprising 20 boxes or boxes of fine manufactures accommodating a large part of the insects, more or less supplied, some complete others less some better preserved than others. . the furniture in its juice comes from a very old cabinet of curiosities. The furniture is in good condition in view of its age and period, requiring especially for one of them a restoration on the lower level, see photos. Furniture dimensions
