

Antique Victorian Brooch In 18k Gold With Diamonds

550 EUR

Period : 19th century

Condition : Bon état

Material : Gold

Length : 6 cm

Description

18k yellow gold brooch with 16 rose cut diamonds Condition: In excellent condition.

Country of origin: Despite the fact that there is no official stamp, we believe it is of Belgian origin, the gold has been extensively tested on 18 kt gold

Style: Victorian - Victorian art refers to the decorative arts of the Victorian era. The Victorian era is known for its eclectic revival and interpretation of historic styles and the introduction of cross-cultural influences from the Middle East and Asia. Period: circa 1870

Material: 18-carat yellow gold Diamond: 16 rose-cut diamonds of various sizes. We do not have the weight of these diamonds, which is quite normal in our rose cut diamond business.

Dimensions: 6 cm in length Weight: 7.1 grams
