### Description

This important cache-pot dating from the first half of the 20th century is in perfect condition and measures 33 cm high with an overall diameter of 44.5 cm.

Its decoration is particularly neat both in terms of the surrounding decoration and the handles in the shape of a ram's head.

It will be ideal for a pot with maximum dimensions of 24 cm at the base (size of the possible saucer) and 38 cm in diameter at the top.

So that the pot does not protrude from the cache-pot, it will be preferable, for aesthetic reasons, that it does not exceed 30 cm in height.

It should be noted, moreover, that the object is
