### Description

Bangle ring in 18 kt yellow gold (eagle's head hallmark), adorned in its center with a bezel-set cabochon-cut emerald, surrounded by a pavé of brilliant-cut diamonds of beautiful dimensions... This sober and timeless ring is before quite a beautiful ring, as shown by its dimensions and weight. It presents the codes of classic jewelry, by the association of a colored precious stone (emerald) and diamonds, treated in a more contemporary way, by the bangle shape of the ring, the choice of a stone cabochon in the center and the setting of pavé diamonds. Ring of contemporary manufacture. Weight of the emerald estimated for approximately 1.00 ct Total weight of the diamonds estimated for approximately 2.50 ct Gross weight: 13.80 g Ring size: 54 - possible size adjustment to be studied
