### Description

Small coffee table with undeniably design and original geometric shapes. This Art Deco furniture stands out with its shiny top in a deep hue. Rectangular in shape, it has 4 cut-off angles with drop-offs in a triangle. The top consists of three solid mahogany boards veneered with rosewood geometric elements alternating with a square and four triangles imitating marble. The set rests on 4 spindle-shaped solid mahogany legs tapering downwards. These hold a large shelf also in solid mahogany. With its unique style and shimmering colours, this art deco pedestal table will delight lovers of atypical furniture.
