

19th Century Candlestick

280 EUR

Period : 19th century

Condition : Très bon état

Diameter : 10 cm

Height : 13.5 cm

Description

Beautiful candlestick in gilded bronze and yellow marble from Siena, finely chiseled, the base in "bowl" Very good condition of the original gilding Crack in the marble of the base due, no doubt, to too strong a tightening, but which does not in no way detracts from the beauty and quality of the object. Around 1830 1st half of the 19th century
