Description

Very elegant Louis XV low sideboard. This essence: the pear tree, has been rarely used. The patina is clear and golden, with slight pink reflections typical of pear. The low crosspiece is finely carved, with its flowery basket. The front feet are snail type. The fittings, of good size, are of high quality. The drawers are lined with turned iron knobs, a little curiosity: the one on the right is equipped with a side lock. The interiors are cleaned and glazed. free shipping for mainland France.
