Description

regional sideboard in solid ash (side, top and front) bec de corbin tray. The facade opens with two large doors. The piece of furniture is embellished with original iron hinges as well as the entrances, the lock and the key in working order. The low crosspiece is slightly cut and molded with charming scrolls. On each side, this authentic piece of furniture has rounded and recessed legs, ending in a bump foot then a snail foot. You will appreciate the authenticity of this woodwork sideboard dating from the 18th century, which has survived the ages and which will bring you the character of antique furniture. which has never been restored with an incredible patina, this so-called chabrier sideboard made in the indre region and unique in its manufacture of proportions and it is curved doors *****
