

"pipe Tomahawk Or Tomahawk Calumet - Plains Indian / North America

1 800 EUR

Period : 20th century

Condition : Très bon état

Length : 48 cm

Height : 18 cm

Description

Beautiful calumet tomahawk ("tomahawk pipe") with a handle pierced with a series of three large copper nails on each side. The wooden handle is hollow and forms the stem of this ceremonial pipe. Rare bronze blade. The handle, formerly damaged, bears the trace of a skilful old restoration in wood, consolidated by a small copper plate embedded in the wood, a sign of attachment to the object.
