Description

Magnificent and large canvas representing a snowy landscape of the Côte d'Or specified on the frame on the back "Vanne sur L'Ouche". the canvas is in very good condition except for a small lack of material under the branch of the tree on the left. (view the photo). signature lower right Eschbach P. I enclose photos of the comments made on this talented painter in the Bénézit Dictionary of painters and G. Schurr (the little masters of painting). Good atmosphere with wonderful colors and great lights. It is a fairly large format, the canvas alone measures 73 cm x 60 cm, or a 20 Figure. the old Montparnasse frame is in patinated wood in good condition with external dimensions of 95 cm x 82 cm.
