Description

Memphis style blue coffee table. Atypical, geometric and ultra graphic, combining wood, metal and the transparency of glass: its square section wooden base is lacquered blue (original lacquer). It is surmounted by a black metal tube in which is placed the wooden sphere which holds the glass top (130/70/1cm thick). The space below is black metal. Note this mise-en-abîme of the grid of the lower plate on the glass plate...
